

AD06000 Complete Diesel System Cleaner

Document version: Apr 22, 2024

Description

MPM Complete Diesel System Cleaner cleans the entire diesel fuel system including the injectors. The treatment also contains a cetane booster and additives to lubricate the diesel fuel pump.

Main benefits

- Cleans complete diesel system
- Lubricates the diesel fuel pump
- Improves engine performance
- Reduces exhaust emissions

Application

For all diesel engines including common rail with or without turbocharger running low- or normal-sulphur level diesel fuel. Suitable for vehicles with aftertreatment systems.

Application manual

Pour entire content of the 250 ml bottle in the tank, preferable before refueling with diesel. Dose for 40 to 60 liters of fuel. The product can be used as a problem solver or preventative if used on a regular basis.
